

April 22-25, 2025

# ST. EDMUND SPIRIT WEEK FOR THE EARTH

*Let's show some fun SCHOOL SPIRIT during Earth Week to show that we are stewards of the Land.*

**As we commemorate our Savior's resurrection, we invite the entire St. Edmund Community to join us in creating a sustainable future. We urge everyone to take action as responsible stewards of the environment.**

## Tuesday-22

**TURN IT OFF TUESDAY!  
LIGHTS OUT LUNCH (L.O.L.)**

*Wear white, yellow or black today to show you are conserving ENERGY!*

## Wednesday-23

**ENDANGERED SPECIES AWARENESS DAY**

*Show we care about endangered species!  
Wear your favorite animal print/themed clothes!*

*It is our responsibility to protect and conserve these species to ensure their survival for future generations*

## Thursday-24

**REDUCE PLASTIC USE**

*Replace plastic products with environmentally friendly alternatives to reduce plastic pollution.  
Students are encouraged to clean up and practice 3R's!*

## Friday-25

**ECO-RAP SHARING**

**ALL ARE INVITED TO OUR EARTH DAY LITURGY ASSEMBLY IN THE GYM**

*Wear green or blue cozy clothing to represent the Land, Water and Environment Stewardship*

## Earth day is Everyday!

- Reduce, Reuse, Recycle
- Conserve Water
- Energy Efficiency
- Sustainable Transportation
- Reduce Single-Use Plastics
- Reduce Food Waste
- Green Energy Sources
- Reduce E-Waste
- Buy organic grown produce.
- Community Clean-Up

### CONSIDER PLANTING A TREE OR STARTING A GARDEN

*Plant trees to help absorb carbon and maintain ecosystem balance. Trees provide oxygen, shade, and habitat for wildlife, while gardens can produce fresh fruits, vegetables, and beautiful flowers.*

**SAVE  
OUR  
PLANET!**
