Monday 22

TURN IT OFF MONDAY!

Wear white, yellow or black today to show you are conserving ENERGY!

Tuesday 23

PROTECT ENDANGERED SPECIES

Special Event- Coding

It is our responsibility to protect and conserve these species to ensure their survival for future generations. Wear your favourite animal themed clothes to show the support.

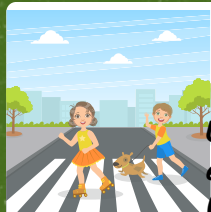

Wednesday 24

REDUCE PLASTIC USE

Special Event- Coding

Replace plastic products with environmentally friendly alternatives to reduce plastic pollution. Students are encouraged to clean up and practice 3R's.

Thursday 25

ECO-FRIENDLY TRANSPORT

Use environmentally friendly transportation to reduce greenhouse gas emissions. Walk or bike to school with adult supervision where necessary. Wear your favourite hat show the support.

Friday 26

SPECIAL EVENT- EARTH DAY ASSEMBLY AND LITURGY

Wear green or blue Cozy Clothing to represent Land and Water and environment stewardship.

Earth day is Everyday!

- Reduce, Reuse, Recycle
- Conserve Water
- Energy Efficiency
- Sustainable Transportation
- Reduce Single-Use Plastics

- Reduce Food Waste
- Green Energy Sources
- Reduce E-Waste
- Buy organic grown produce.
- Community clean-up

CONSIDER PLANTING A TREE OR STARTING A GARDEN.

Plant trees to help absorb carbon and maintain ecosystem balance. Trees provide oxygen, shade, and habitat for wildlife, while gardens can produce fresh fruits, vegetables, and beautiful flowers.
